

# tempe coalition celebrating champions

## PURPOSE

Tempe youth have many choices they can make about the activities they engage in, and alcohol and illicit drug use should not be one of the choices. By supporting the Tempe Coalition to Reduce Underage Drinking and Drug Use, you are supporting a community where youth have the information and power to remain healthy and drug free.

The Tempe Coalition, a program partner of Tempe Community Council, mobilizes community members to help youth reach their full potential by reducing underage drinking and drug use through community leadership, education and collaboration. We work to educate parents and youth about the harm of alcohol and illicit drugs to youth's developing brains.
